

An aerial photograph of a park area. A large, irregularly shaped region is outlined in red and filled with black diagonal hatching. This region includes a large, light-colored paved area, possibly a plaza or walkway, and several clusters of trees. The surrounding area consists of more trees and green grass. In the top right corner, there is a legend box with a red hatched square and the text 'Major Event Area (MEA)'. In the bottom right corner, there is a white arrow pointing upwards, indicating North.
